How are the B2B VisioMeetings® organised?

- **Register online:**
During the creation of your member area, you fill in your technical details. Your entry will be submitted to the Organizing Committee.
- **Make your meeting requests:**
At the opening of the catalogue, one month before the event, you select and solicit the companies you want to meet, with the possibility to argument your requests.
- **Confirm the requests received:**
Each participant has the opportunity to ask you for a VisioMeeting®; then you just have to accept or decline their requests.
- **Receive your personal agenda:**
One week before the event, you receive your schedule of meetings that includes the requests validated by both parts.
- **B2B VisioMeetings®**
On October 15TH & 16TH 2014, you will have your session of VisioMeetings® from your office, via your member area.
